

Introducing The **Lifestyle™** Table with Induction Cooking

- ◆ Move the **Lifestyle™** Table wherever you need it for entertaining, dining, or working. Perfect for any location, including living room, dining room, den, or patio.
- ◆ With safe & efficient induction cooking, only the cookware gets **hot** while the top stays **cool**.
- ◆ Cookware and dinnerware store in the base, so there is no need for extra cabinet space.
- ◆ Clean up is easy and fast with the tempered glass top.
- ◆ Add the **Lifestyle™** Table to your apartment or condo, student dormitory, assisted-living room, or extended-stay suite. Take it tailgating and root for your team!
